2. As regards the amount of Rs 250/- drawn by the Amildar of Anekal in June 1928 and credited to several Village Panchayats in October 1929, i.e., after a delay of 1 year and 3 months, the Amildar who was asked to report as to where this amount had been kept and how it was accounted for during the interval has reported that the amount viz., Rs 250/- drawn on 30-6-28 was credited to the Savings Bank Pass book No. 530 opened in his name (Amildar) and that the amount was subsequently credited to the marginally noted Village Panchayats as already intimated to the Comptroller in this Office Memo No.C.2(a) 1744/34-35 dated the 9th May 1935.

OFFICE OF THE COMPTROLLER TO THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE,

Bangalore, dated 31st October *193*5.

FROM

A. N. RAGHAVACHAR, ESQ., M.A.,
Comptroller to the Government of His Highness the Maharaja of Mysore,
Bangalore.

GEN. & REV. SECTION 4 NOV. 1935 L.S.G. BRANCH.

To

M. Venkatanaranappa, Esq., B.A.,
Secretary to Government,
Development Department, Bangalore.

SIR,

1. In continuation of this office letter No.439/W.A.D.Misc. dated 12-1-35 reporting for the information of Government that no account has been rendered inspite of several reminders in respect of Rs.250 drawn on 30-6-28 by each of the Amildars of Bangalore, Anekal and Kankanahalli Taluks being the equipment grants allotted to the Village Panchayats in these taluks in 1927-28, I have the honor to note below the following facts as gathered from the particulars since furnished by the Deputy Commissioner.

2. Bangalore Taluk:-

The sum of Rs.250 drawn on 30-6-28 was credited to a savings bank account opened in favour of the Amildar and no expenditure was incurred till April 1929, during which month, a sum of Rs.122-2-0 is stated to have been spent for purchase of furniture, a time-piece and contingent articles. For May 29, a further purchase of furniture costing Rs.87-0-0 is stated to have been made and finally in July 1929, a sum of Rs.27-6-0 is stated to have been spent for printing charges The aggregate expenditure amounted to Rs.236-8-0 and the balance of Rs.13-8-0 is stated to have been distributed to the several panchayats. The Deputy Commissioner informed that no vouchers or other records were available in the taluk office and forwarded the Amildar's S.B.Pass Book (referred to above) and an extract from a cash book. No information is therefore, available

as

as to the details of purchases made and whether articles purchased are properly accounted for. The amount was drawn in advance nearly an year before it was actually required and unauthorisedly kept in an S.B. Account involving the payment of interest thereon to the extent of Rs.6-15-1. That no vouchers are available for the purchase made is a serious irregularity and the expenditure cannot be admitted in audit.

Arakal Taluk.

The Deputy Commissioner intimated on 7-3-35 that the amount of Rs.250 drawn by the Amildar on 20-6-28 was transferred to 8 village panchayats' accounts (7 at Rs.30/- each and Rs.40 to the remaining one). When asked to intimate the date on which this adjustment was effected, and the authority on which such distribution could be made by the Amildar, it was explained that the adjustment was made between the 4th and 31st October 1929 which was nearly one year and 3 months after the amount was drawn from the treasury. On a further reference of this office dated 11-5-35 enquiring as to where and how the Amildar accounted for the money during this long period till they were credited to the Panchayats, the Deputy Commissioner forwarded a copy of his letter No.1744/34-35 dated 7-9-35 addressed to you stating that the amount was kept in a S.B.account opened in favour of the Amildar, ~~Hunsurhalli taluk~~.

Kankanhalli taluk

The Deputy Commissioner intimated in his letter No.1744/34-35 dated 7-2-35 that the amount of Rs.250 drawn by the Amildar was credited to Kankanhalli Panchayat for grant in aid for the drinking water well as authorised in his No.L.3737/28-29 dated 5-7-28. When asked to state as to how the Amildar could anticipate his orders and draw the money one year in advance, a copy of his memo (referred to above) to the Amildar was forwarded to this office from which it was seen that on the Amildar having reported that

no use could be found for the money and proposed to execute the well work under reference which was approved No further details were made available as to when and for what amount, the estimate for the work was sanctioned, and what the total outlay on the work was and if it has been completed, though these particulars were called for by this office on 8-5-35.

5 This case discloses the fact that money was drawn from the treasury to avoid a lapse of grant and the same was irregularly retained on hand for a long time and subsequently appropriated for purposes other than that for which the grant was sanctioned by Government.

In all these instances under reference, no satisfactory account was rendered though the money was drawn from the treasury more than 7 years ago. I propose to include these cases in the Audit and Appropriation Report for 1934-35.

I have the honor to be,
S i r,
Your most obedient servant,

Comptroller.
